

Label Stamp:Design Specification

Purpose	<p>A label stamp design specification including electronic artwork and printed proofs designed by HMRC for production of type B duty stamps as described in Regulation 4 of The Duty Stamps Regulations 2006, namely duty stamps to be incorporated into a label to be affixed to retail containers of alcoholic spirits (as referred to in Schedule 2A of the Alcoholic Liquor Duties Act 1979) and which label includes a brand, in an easily legible form, under which it is intended that the alcoholic liquor will be sold by retail.</p> <p>As the user registered with HMRC for the duty stamps scheme, you are responsible for ensuring that the type B duty stamps which are printed by you or on your behalf using the electronic artwork conform to the printed proof originating from HMRC and sent to you with the CD. If you have any concerns regarding the suitability of the electronic artwork, you should contact BemroseBooth without delay.</p>
