September 24, 2019

Dear Parents,

I would like to invite you to **Mission Viejo High School's annual "Back-to-School" Night**. This year's program will take place **on Wednesday, October 2nd**. **This year classroom visitations will begin at 6:30 p.m. for period 1 and 6:45 p.m. if your student begins their day with a period 2 class**. A blank class schedule, for your student to fill out, is attached for your use during the evening. Please plan on joining us for this very informative event.

Prior to Back-to-School Night, **all parents of freshmen** are invited to attend an informative meeting hosted by our Guidance Counselors. During the meeting, our Guidance Counselors will address 4-year planning as it relates to graduation requirements and college admissions, as well as ways the Guidance Department supports students through their high school experience. The meeting will begin at 5:30 p.m. in the Performing Arts Theater. The same presentation in Spanish will be held in the Library concurrently.

"Back-To-School" Night is held in order to acquaint you with your student's daily academic routine and provides you with an opportunity to meet your student's teachers as well as understand a little about each course. Due to the nature of the evening's activities, individual parent conferences are not possible. Each teacher will present course goals and expectations within a 10 minute period for each class that they teach. Parents will be moving from class to class during passing periods just like students do each day.

Please be aware that **Wednesday October 2nd will be a Minimum Day** for MVHS. Students will be dismissed early with Period 6 dismissal at 11:55 a.m. and Period 7 dismissal at 12:41 p.m. Please note that **Thursday October 3rd is a Late Start School Day**.

We are looking forward to seeing you at our "Back-to-School" Program on Wednesday October 2nd

Sincerely,

Tricia Osborne
Principal
